

# THE IV INTERNATIONAL SYMPOSIUM ON BREEDING BIRDS IN CAPTIVITY

SEPTEMBER 12 - 16, 2007  
TORONTO, CANADA

## THE JEAN DELACOUR AVICULTURAL AWARD NOMINATION FORM

In the tradition of prior symposia, the *IV International Symposium on Breeding Birds in Captivity* will bestow the Jean Delacour Avicultural Awards to those individuals, institutions and organizations which have shown excellence and significant achievement in the fields of aviculture and/or conservation breeding.

One or more of the following criteria must be met and described to qualify for this award:

1. The importance of the program or achievement to the fields of aviculture and/or conservation breeding.
2. The longevity and sustainability of the program or achievement.
3. The lasting value to the captive population of a family, genera or species.
5. The achievement must have some scientific value and be beneficial to the longterm conservation of a species or population either in the *in-situ* or *ex-situ* states or both.

Please complete the form in its entirety and provide as much information as possible.  
Additional pages may be needed.
